

Greenfield Chamber of Commerce

Business Leadership/Community Pride

Dear Member,

The Greenfield Chamber of Commerce is excited to offer a Member to Member Discount Program. This program will provide our members with another service. This will add value to your Chamber membership by promoting member to member buying, increase member visibility and saving money.

How it works:

1. Chamber members and their employees will be issued a card identifying their membership in the Greenfield Chamber of Commerce and their eligibility for program discounts.
2. Chamber members who are offering a discount will receive a Member to Member decal to identify them as a participant.
3. Visit www.thegreenfieldchamber.com or see the e-newsletter for a list of participating businesses.
4. Save and support Chamber members by shopping at participating businesses.

Tips for Success:

1. Make sure your employees receive their member to member discount card and know how to find out where the available discounts are. A list of participating members will be on our website and in the newsletter. Print and display current discounts frequently.
2. Update your own discounts periodically with new products or services.
3. Display your Member to Member decal.

Guidelines for Participation:

1. Discounts must be at least 5% off goods or services.
2. Discounts must be on going, not a one time only offer.
3. Free consultations are not eligible for program.
4. For publication, changes of offers need to be submitted 2 weeks prior to change.

Sponsorship Opportunity!

One business per year will be able to have their logo and contact information on one side of the Member to Member Discount Card. This card will be given to all employees of Chamber members. This means that your business information is in the hands of hundreds of potential customers for one full year.

Only one sponsor per year on a first come basis.
